Fifteen years ago the teams met at Frisbine Park and the game resulted in the death of Vaughan Gammon, the Georgia full back. Athletic relations between the schools were broken off, not through any intense feeling as the result of the untimely end of the Georgia star, but by reason of the public sentiment, which at the time was against the resumption.

Very little Georgia money can be found here to-night and what few wagers are being made are at odds with Virginia on the big end. There were a few 2 to 1 bets the early part of the week, but since the published weights of the two elevens, these have shifted to 3 and 4 to 1.

The Campaign For Municipal Clubhouse On In Earnest

The following open letter explains itself. It is the purpose of the Richmond Amateur Athletic Federation to have the city build a public clubhouse at William Byrd Park. After reading the letter, if you approve the plan, fill the blank below and mail to F. S. Tousey, Secretary R. A. A. F.:

To the Men and Boys of Richmond:

The Richmond Amateur Athletic Federation believes that there is need of a municipal clubhouse at Byrd Park, open to every white man and boy in Richmond. Such a clubhouse would be under the direct supervision of the Administrative Board of the city of Richmond, and the board would appoint an athletic trainer to direct the work in the interest of the white men and boys of Richmond.

The clubhouse would contain at least 2,000 steel lockers, baths and living quarters for the trainer. A cinder track would be built, 100 yards dash, courts for basketball, field hockey, soccer, lacrosse, cricket; also additional courts for baseball, tennis, football and other, outdoor sports. The equipment, free to all, would consist of all apparatus for jumps, pole vault, hurdles, hammer throw, discus, shot put—in fact, everything necessary for training in every department of athletics. This athletic equipment would be installed inside the cinder track, which would be well lighted at night, so that the workingmen and boys would have an opportunity to use it after the day's work was over.

The suggestion for the establishment of this municipal clubhouse has been received with favorable comment by city officials, private citizens, heads of schools, athletic organizations, and in particular by employers of men and boys, who feel that such a work would be of great value to those who do not now have a chance for physical training in the open.

The question which will be asked by the Mayor, Administrative Board, Board of Aldermen, Council and Finance Committee is, Do the men and boys of Richmond want such a clubhouse, and will they use it and appreciate it if it is built?

The Richmond Amateur Athletic Federation wants this matter brought before the city of Richmond this fall for consideration in the budget for 1914, and to this end every white boy and man, from twelve years old and up, living in Richmond or suburbs, who is directly interested, is requested to fill out the blank printed below and mail the same to Frank S. Tousey, Secretary, Twenty-first and Short P Street. If we can have 2,500 of these blanks returned within a short time favorable action is practically assured.

FOR A MUNICIPAL CLUBHOUSE AT BYRD PARK. I am heartily in favor of this plan.

GRIDIRON NOTES

[Special to The Times-Dispatch.]

Fork Union, Va., October 21.—Fork Union Academy and the Charlottesville High School elevens will clash here to-morrow afternoon on the gridiron. Coach Benton has been working the team this week at hard practice. The team returned from Charlottesville this week, where they gave the Jefferson School a hard battle for honors. The fast backs and ends of the cadet team not being used to a wet and muddy gridiron, where the game was staged, suffered most. The team is in good condition and will give a good account of themselves to-morrow in the game with the representatives from the university town. The line-up of the Cadets will be as follows: Ernest captain, right end; Reynolds, right tackle; Hannabass, right guard; Riubard, left tackle; Peters, left end; Peeples, quarter back; Parker, left half; Poff, full back, and Finch, right half.

Fork Union Academy will play the Staunton Military Academy here early in November.

VIRGINIA TECHS TO PLAY CAROLINA

Gridiron Honors at Winston-

Salem To-Day. Chapel Hill, N. C., October 24.-With to-day, Carolina concluded its practice of the week for the Virginia Polytechnic Institute football struggle in Winston-Salem on to-morrow. It is unquestionably the stiffest contest that the Tarheel cleven has thus far en-countered on its schedule, and, as far as practice can equip a football team a fierce struggle, nothing has been left undone by Carolina's coaches.

Carolina's line-up was announced today by Head Coach "Doggie" Trenchard as follows: Homewood, right end; Hucke, left end; Captain Abernethy, right tackle; Ramsey, left tackle; Foust, right guard, Cowell, left guard; Tandy, centre; Allen, quarter back; Ervin, full back; Taylog Jeft half back; Fuller, right half back.

The noticeable difference between the ne-up for the Virginia Polytechnic Institute game and that of last Saturday with South Carolina, is the switching of Fuller from full back to right half. Ervin going in at his regular erth at full. Fuller was considered the star in the South Carolina game, and his work in this week's practice augurs that he will show good form in the game with Virginia Polytechnic Institute. Burnette, who has played with a fair degree of regularity the position of right half back, is not in the pink of shape physically, and Pope, who has been alternating with Burnette at half, is not consistently playing a game that the coaches have a right to expect. He shows declared right to expect. He shows flashes of stellar work, but the coaches are not willing to depend on such spasmodic

the coaches are "banking" on him for steady work in Saturday's fray. "Little" Abernethy, who has in previous games been slated in the regular lineup at centre, is meeting with strenuous competition in Tandy, and it is predicted that he will outdistance Abernethy for a berth at centre.

Ramsey, the Randolph-Macon Academy lad, is putting up a fine specimen of ball playing at the position of left tackle, and can be counted on with a degree of certainty to give a good account of himself in the V. P. I. battle. Homewood, the gritty rightwing man, continues to tackle with a daringness as to rate him as one of daringness as to rate him as one of

duringness as to rate him as one of the first men on the eleven.

While V. P. I's strength has not been brought to view this season, since only one game with what can be considered a competitor has been played, it is a historic fact that the Blackshurg College in their tie over a week the risked in this and at his end, as from his injuries, will be sent in at the being played.

It was in 1911, when Branch Bocock was coaching Carolina, that we were able to tie V. P. I., a scoreless game being played. being played.

Chicago, Ill., October M.-Yussiff Mahmout, the Bulgarian wrestler, who met a number of Amerimen matmen, including Frank Gotch, by whom he was defeated, was killed by Bulgarian bandits in the mountains near Silistria, his home, according to a story told by two Turkish wrestiers who arrived here to-day. Mahmout was petty officer in the Bulgarian army during the late war, and according to their story, went to the town three weeks ago to draw some money to pay off the men in his command. Sixteen bandits waylaid him on his return, but because Mahmout had procured orders instead of gold coin, they killed him.

The local lads have been putting in some strenuous practice for this game; not even the rain of yesterday afternoon at 3:30 o'clock. The football warriors from both colleges are said to be in the best of condition, and if such is the case, a fast and hard-fought game should be played. This game is not a championship game. After the poor exhibition put up on Tuesday against Ashland High, the "Marshallites" are one and all out for blood, and a thrilling game can be expected. From all accounts, the Blackstone boys have a fast and heavy team, and the local cleven will have to fight every inch of the way if they
